Branch Updates

We are happy to announce that on Friday, June 5, DFCU branch lobbies reopened to members for limited hours. The safety of our members and staff remain our highest priority. While the branch experience may look different now, our commitment to providing our members with exceptional service is stronger than ever. To keep our members and staff safe, we have implemented new protocols and procedures for in-branch services. For current hours and procedures, please visit dfcu.net or call us at 518-825-0323.

When possible, we ask that you continue to use digital services (including online account opening and loan applications), the night drop, call center, and the drive-thru.

Shred Day 2020: Rescheduled

Due to the pandemic, we have rescheduled our annual Shred Fest. The new date will be August 22, 2020 at the Tom Miller Road Branch from 9:00 am to 12:00 pm. We will have procedures in place to protect attendees and our volunteers. Members and Non-Members are invited to bring up to 10 banker sized boxes they wish to have shredded. Within a matter of seconds, all the sensitive information you have been meaning to get rid of will be destroyed! And even better, all of the paper will be recycled!

We are also adding an electronic recycling component this year. Please visit dfcu.net for information on electronics that we will be accepting and to stay updated on procedures for drop-off.

Annual Meeting & Election of the Board of Directors

Notification was made in the Spring 2020 DFCU Newsletter that positions on the Board of Directors were up for election and that those members interested in being considered as a candidate must send a resume to the nominating committee by May 16, 2020. The Nominating Committee, after reviewing the applications received, nominated Bev Malark and Dale Mason to serve three year terms.

Any other members wishing to be placed on the ballot must submit a petition. Petition forms are available at the DFCU Operations Center on 342 Tom Miller Rd., Plattsburgh, NY. Petitions must be signed by at least 190 DFCU members and returned by the close of business, August 4, 2020 to the same address.

Signatures (names) and account numbers on the petition will be checked to ensure validity. Members must be at least eighteen years of age to sign the petition and vote. Along with the signed petition, candidates must submit a signed letter agreeing to the nomination and stating that he/she will serve if elected. An election will not be conducted by ballot when there is only one nominee for each position to be filled. The ballot, if necessary, will be a mail ballot. There will be no nominations from the floor. Results of the election will be announced during the Annual Meeting.

The Annual Meeting is scheduled for September 13, 2020. We are monitoring the situation with COVID-19 to determine if the meeting will be held in person or virtually. Please visit dfcu.net often for updates.

Dannemora Federal Credit Union Commitment to Our Community

Dannemora Federal Credit Union recently announced a \$40,000 philanthropic initiative to support multiple non-profit organizations in the North Country focusing on COVID-19 relief. Funds received by the recipient organizations will be used for support services for individuals/families facing financial hardship due to the pandemic and patient/healthcare support. In determining the contribution amount to allocate for each organization, DFCU considered the organization's total size, scope of service, and needs in the area related to the pandemic. All recipient organizations are located within Dannemora Federal Credit Union's service areas of Clinton, Essex, Franklin, and St. Lawrence counties in NY.

"The effect of this pandemic has been far reaching and has had a direct impact on our neighbors in the North Country" states Chris Hay, Dannemora Federal Credit Union President/CEO, "We have families struggling financially and the impact to our hospitals has been dramatic. On behalf of our Board of Directors, staff and our over 19,000 members, it is my honor to announce that Dannemora Federal Credit Union is donating \$40,000 for COVID-19 relief in the North Country. \$20,000 will be directed to the United Way of the Adirondack Region's Emily Fund and \$20,000 to our hospitals. We believe that in these difficult times, it is more important than ever to step forward and provide some much needed assistance to our community. Donating to the Emily Fund and our local hospitals is the most efficient and impactful way to get help to those who need it most."

Funding for the United Way of the Adirondack Region will be allocated to the "Emily Fund", which is a locally managed fund that is used to address unmet needs for low to moderate income families. All funds in the Emily Fund are used for programs and services and not overhead or indirect costs.

The contribution to the Foundation of Champlain Valley Physicians Hospital will help provide patients with the essential care they need, help them stay in communication with their families, and assist with the transition home safely. Equally important, contributions will help in ensuring that front line caregivers are cared for with protective equipment, provide assistance with financial strains, and support initiatives to boost morale. "The support of DFCU to our community is simply amazing and a true testament to your commitment to our region and your members. We are so grateful that you have chosen to support our local hospitals and the patients we serve. As our leaders and front line healthcare workers risk their safety every day, your support has never been more critical." stated Kerry Haley, Associate Vice President of the Foundation of CVPH.

The complete list of recipient organizations include:

- \$20,000 to the United Way of the Adirondack Region Emily Fund
- \$10,000 to the Foundation of Champlain Valley Physicians Hospital
- \$2,500 to the UVM Health Network - Alice Hyde Medical Center, Office of Philanthropy
- \$2,500 to the Adirondack Health Foundation
- \$1,000 to the Elizabethtown Community Hospital
- \$1,000 to the Claxton-Hepburn Medical Center Foundation
- \$1,000 to the Massena Memorial Hospital Foundation
- \$1,000 to the Canton-Potsdam Hospital Foundation
- \$1,000 to Wilderness Health Care Foundation (Clifton-Fine Hospital)

In addition, DFCU has supported area First Responders by sending over 150 meals from local restaurants and donated 600 carnations that were delivered to seniors for Mother's Day.
